LGBT Society

Bebo page: www.bebo.com/QUBLGBT

The society is for people who identify as Lesbian, Gay, Bisexual and Transgender but also curious, open-minded and heterosexually identified people alike who wish to be involved in campaign issues or provide support to an LGBT friend. The LGBT society also strives to support organisations that help to have equal opportunities. Meetings are held in the Student's Union conference room.

The society operates a 'Buddy' Scheme. The aim of this is to allow potential new members to meet up with two members of the Executive, to get to know them, and they can tell you a little bit more about the Society. They'll meet you at a time and place that's convenient for you, and always make sure that there's a guy and a girl meeting you. E-Mail for more info.

They also have coffee mornings the first Wednesday of the month, in Bar Sub, downstairs in the Student's Union at 1pm
